### PROFILE

**Thomas Christian** joined Triangle Associates in 2017 and supports facilitation and public involvement projects. He has strong writing skills, program management experience, and a proven ability to analyze and communicate complex socio-environmental issues.

Thomas recently earned a M.A. in Environmental Studies from Western Washington University where he studied the ongoing effort to renegotiation of the Columbia River Treaty, signed by Canada and the United States. Thomas also brings communications and field work experience from his time with both the National Park Service and the U.S. Forest Service.
