

Job Announcement: Part Time Classroom Presenter/Environmental Educator King & Snohomish Counties

Position Title: Classroom Presenter/Environmental Educator- King/Snohomish County

Designation: Part-time

Start Date: Open until filled (ideally starting January 2022)

Salary: \$20.00 - \$24.00 an hour commensurate with experience.

DESCRIPTION

Triangle Associates Inc., a small environmental consulting firm, is looking for a dependable and enthusiastic educator to present virtual and/or in-person conservation themed classroom programs for grades 1-12. Presenters will teach multiple classes per day within a school, providing a 45-60 minute workshop for each classroom, throughout King and Snohomish Counties. **We are seeking candidates looking for a position with a flexible schedule. This work can range from 1-3 days per week, approximately 3-8 hours per day, throughout the school year.** The ideal candidate will have experience working with diverse youth audiences and demonstrate an understanding of environmental justice concepts, as well as diversity, equity, and inclusion principles.

Note: We are hiring for the 2021-2022 school year and this position will start in January 2022. This work will take place virtually at first and then in-person at different schools throughout the King and Snohomish County area, Covid safety requirements permitting.

QUALIFICATIONS

- Minimum two years of experience teaching students ages 6-18 in a formal or non-formal setting (Classroom setting preferred).
- Demonstrate an understanding of cultural competency and show sensitivity and thoughtfulness when working with diverse populations.
- Excellent classroom management skills and ability to work under pressure in a school setting, both with virtual and in-person classrooms. Able to adapt teaching style for various ages and learning styles.
- Ability to operate and navigate virtual platforms such as Zoom and Microsoft Teams, and virtual education tools, such as PowerPoint functions. Willingness to learn new tools for virtual education (training will be provided).
- Voice projection, improvisational skills, and know-how to teach lessons and present information in an engaging and hands-on manner (for both virtual and in-person settings).
- Basic background knowledge of and interest in learning more about environmental issues such as waste reduction, water conservation and pollution prevention, renewable energy, climate change (helpful but not required).
- Excellent organizational and self-managing skills.
- Clear, written and verbal communication skills with attention to detail.
- Creativity and energy with students!

REQUIREMENTS

- A reliable car, valid Washington State driver’s license, clean driving record, and auto insurance covering bodily injury and property damage. (This position requires driving to schools and transporting classroom materials.)
- Presenter must be available to work during school hours with possible early travel start times for presentations at secondary schools (between 6 AM and 5 PM).
- Ability to check and respond to email daily.
- Ability to carry 30 lbs. of props and workshop materials.
- Ability to pass a background check.
- Ability to show proof of vaccination against Covid-19.

COMPENSATION

- \$20.00-\$24.00 per hour
- Travel time and mileage at the IRS-approved rate reimbursed if car is required.
